Together
Bonnie Greene, Editor
Scott Austin, Co-Editor

Together —
a co-existence, a unity;
Throughout our lives, we form "togethers,"
building on our unity with Christ,
the Cornerstone of all our togethers.

And growing together,
we draw from one another in
daily interaction —

worshipping,
working,
sharing.

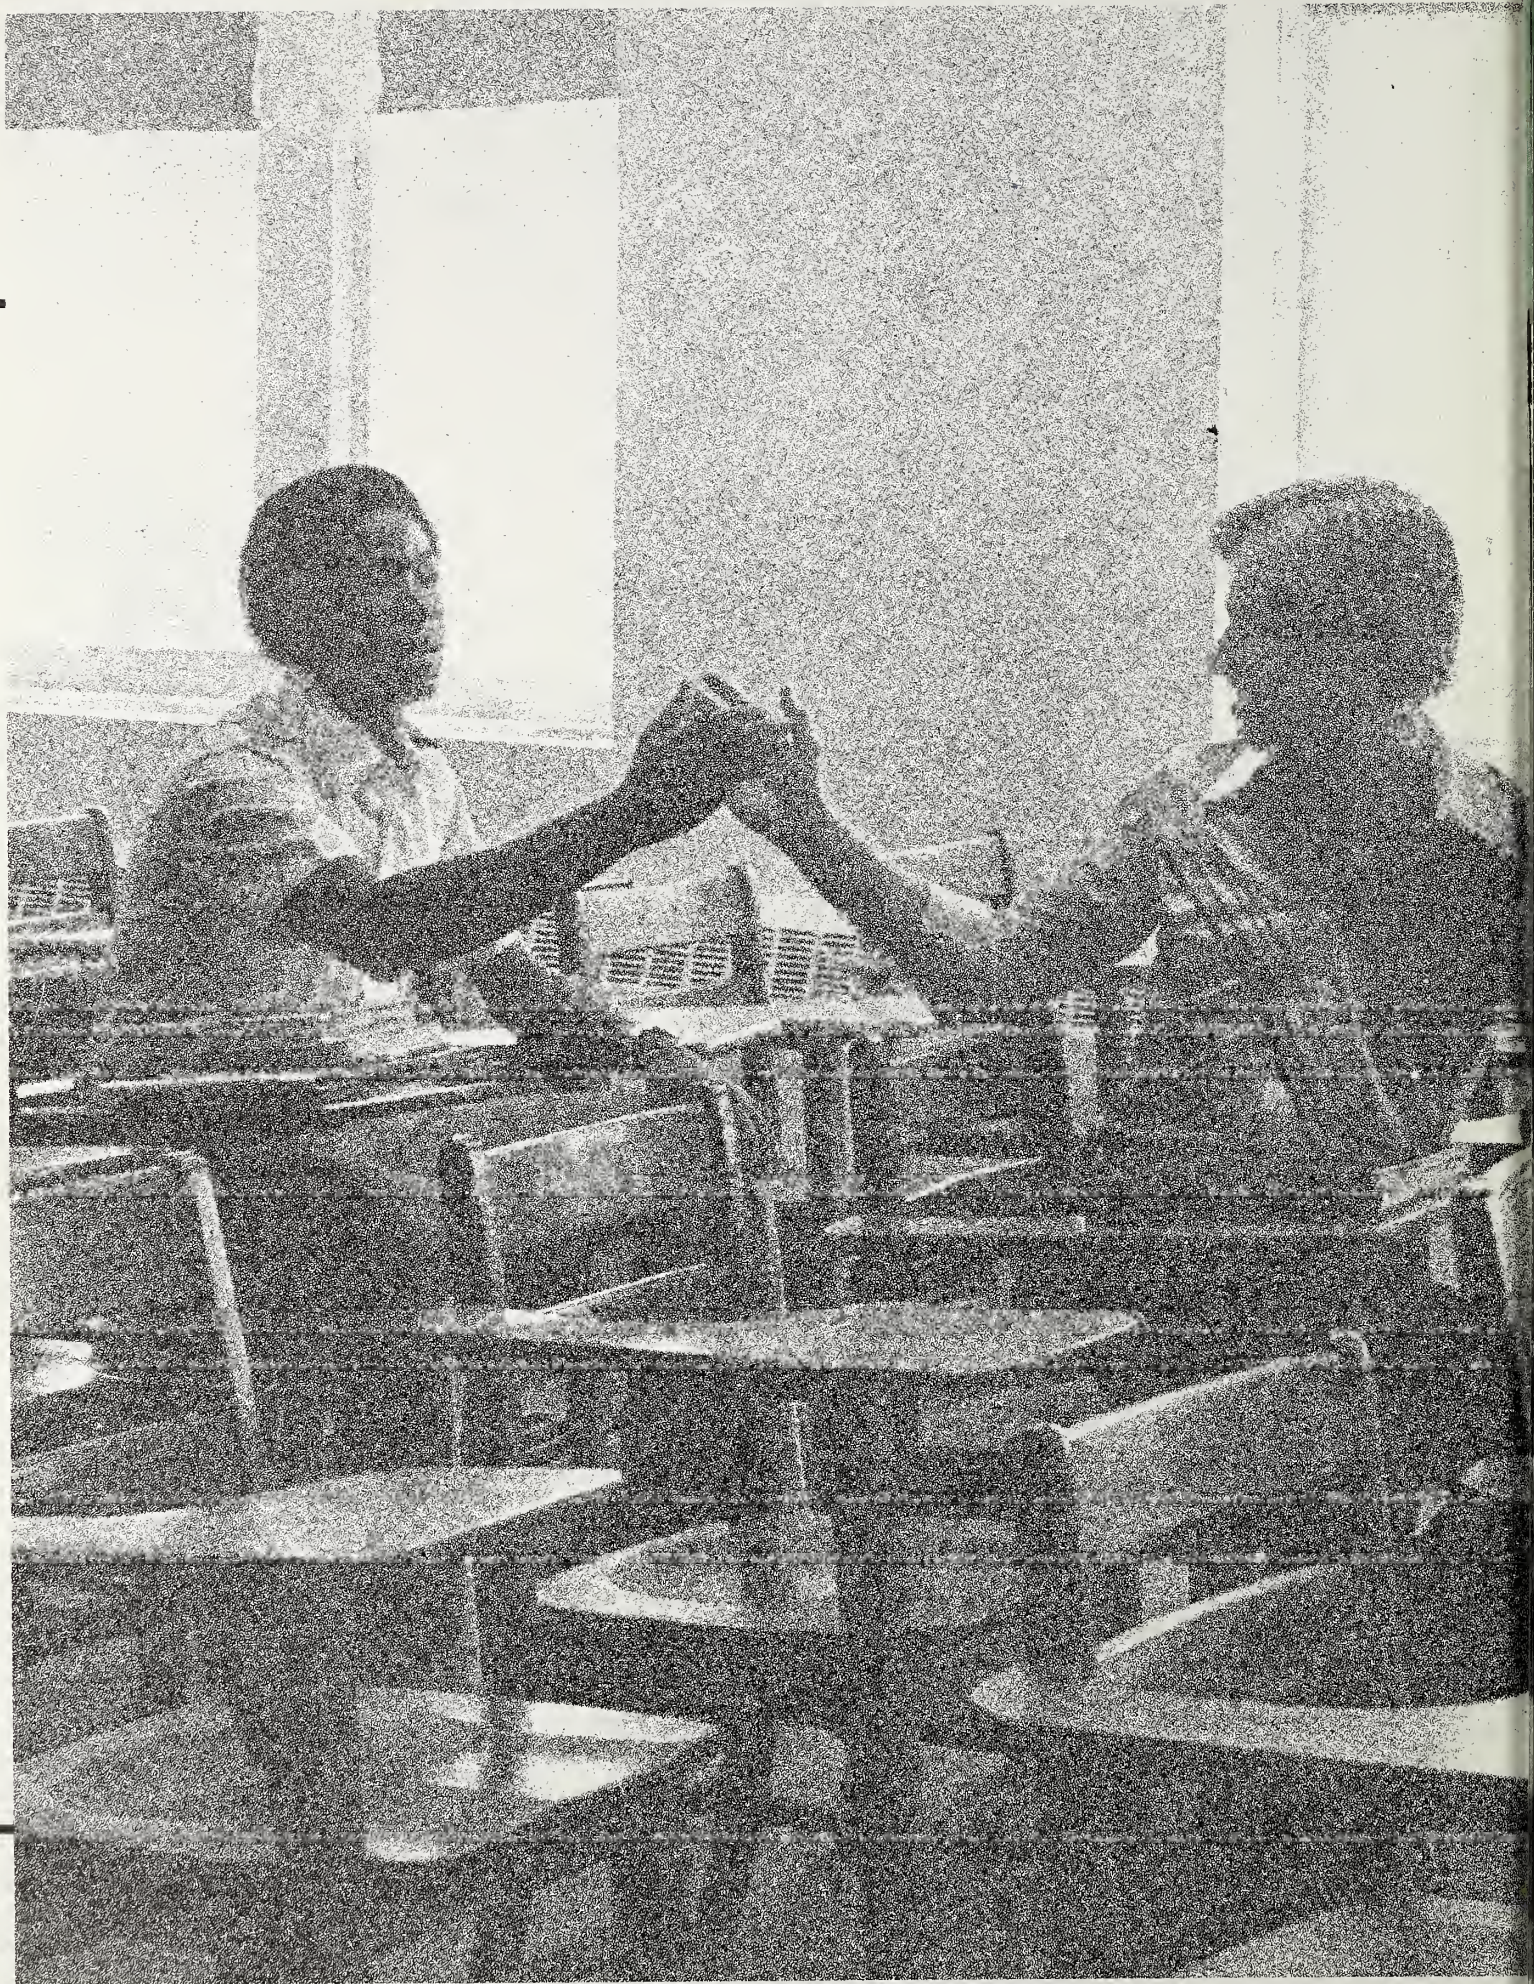

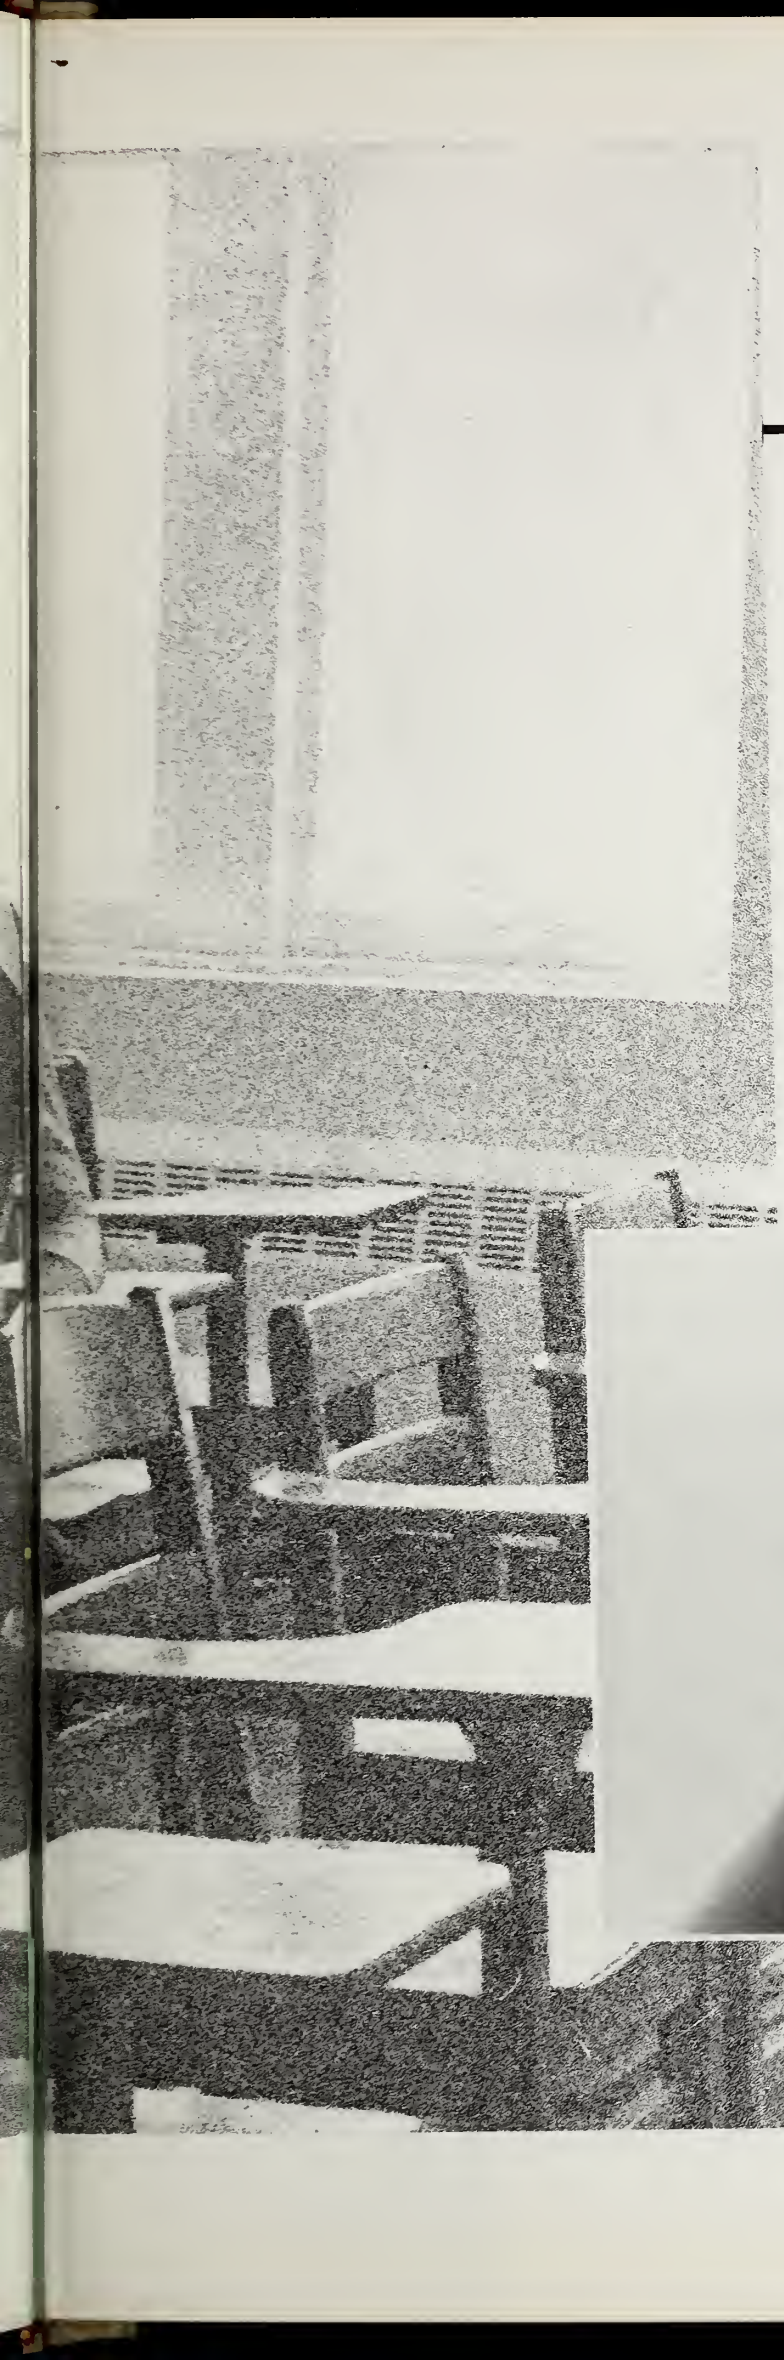

Yet, at Olivet, we only begin to
realize the purpose for
which we have been called together.
There's much more —

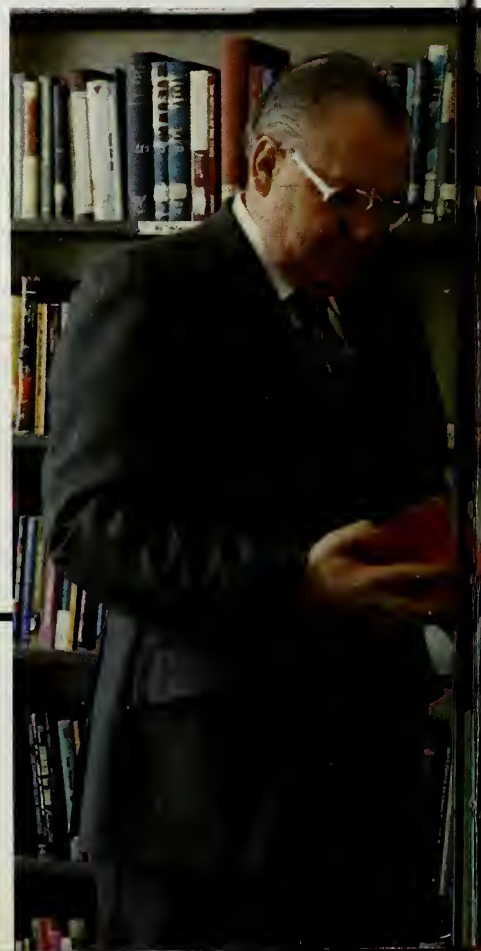

And we know that all things
work together for good to them
that love God, and are the called
according to His purpose.

Romans 8:28
KJV

- your strong spiritual leadership, encouraging an atmosphere of Christian growth and maturity;
 - your striving for social unity within the college as you deal compassionately with faculty and students, creating a comradeship;
 - academically, as you endeavor toward excellence in our educational process, preparing us for lives of service;
 - and the friendship fostered between the college and the community, reflecting the outreach of Christians toward those in the world around us.
- We thank you, Dr. Parrott, for bringing those of us at Olivet together in so many ways.

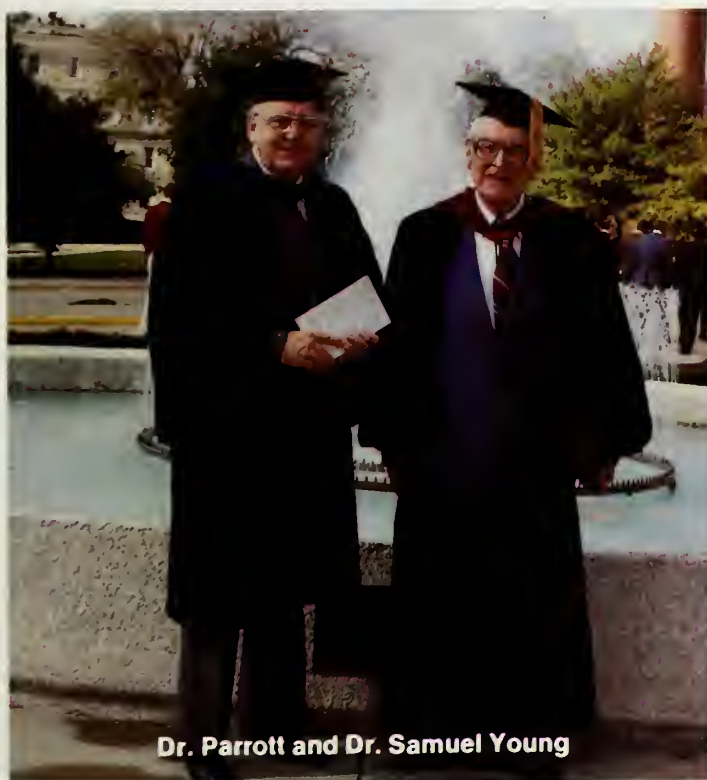

In Dedication Leslie Parrott, Ph.D., President of the College

Nursing Division

The addition of four new teachers, each with the M.A. degree, has greatly enriched the teaching-learning process in this Division. The newly developed faculty role of Coordinator of Continuing Education aids in planning and coordinating programs for the Kankakee nursing community. A vital organization in the Division is Nursing Students in Action, whose activities this year included a campus-wide health fair. Art Department

The Art Department's "coming alive" is reflected by the new art major. Because of the great demand for artists with a Christian background, creative expression is being stressed in all areas. The new art major has combined art, music, and drama. It exemplifies what professor Harvey Collins often says, "Art is everything."

Contrary to their "suzy homemaker" image, the home economics majors are taught to do more than cook, clean, and sew. This department offers many basics in home economics as a profession through a broad selection of courses. A student may prepare for entrance into a special field of interest such as dietetics, interior design, home journalism, and social welfare or foods services. The student may also prepare to continue his education in a more intense area of study such as child welfare agency work, special government work related to home economics demonstration, teaching, or institutional food managements.

Who's Who Among Students in American Universities and Colleges

●Each year at commencement exercises across the country, a select group of students is called forward to accept one of the most prestigious awards the academic community can bestow — Who's Who Among Students In American Universities and Colleges. This award, recognizing the outstanding campus leaders of the year, is one of the most highly regarded honors programs in the nation. Chosen by representatives from the faculty, administration, and student body, students are nominated on behalf of their contributions and service to the community

and the school.

●Each college is given a quota of nominees, carefully calculated to insure well-rounded representation. For the 1978-79 school year twenty students were awarded this honor at Olivet, encompassing a wide range of talents and activities. A complete biography of each student is presented in the 1979 edition of *Who's Who Among Students In American Universities and Colleges*; in addition, each student is given lifetime use of a Reference/Placement Service provided by the program.

The Alumni of Olivet returned to campus to greet old acquaintances and classmates and to relive old times. This year's homecoming festivities included something for everyone.

"Preparation for Service," the theme of the weekend Homecoming event, was carried out through the parade consisting of floats, the queen and her court, clowns, marching bands, and Olivet's VIP's.

For the sports enthusiasts, the four-game basketball tournament proved to be one of the most exciting events as our Tigers defeatd the Lions of Bryan College in the first game and the Lancers of Grace College for the tourney title. The wrestling team overwhelmed Bradley University, 40-2, in the opening match of the season.

The play, "One Foot in Heaven," the Sacred Concert, and the Pops Concert incorporated the talents of the drama department, all college choirs, concert bands, and orchestra.

All of these and more made homecoming 1978 a success.

Revival — the Essence of the Spirit

Our campus has come spiritually alive through the inspiration of revival. Jim Bond ministered to our students during the opening revival, September 8-10, combining with our own talented musical groups of O.N.C. ministering to us in song.

The fall revival was one of spiritual enrichment: the Holy Spirit touched souls throughout chapel services and the evening services as well as every moment of the day. Hundreds of seekers found spiritual help during this week of October 22-29, through the messages of Rev. Bob Hoots and the songs of Gary Moore. Revival is not dying: its effects are seen on our campus every day as many new Christians are received into the family of God.

A

- A. Evangelist, Rev. Bob Hoots, brought the word each day.
 B. Song Evangelist, Gary Moore, ministered in song.
 C. Song Evangelist, Gary Moore.
 D. Revival seen as a time of spiritual renewal.
 E. Chapel was a time of inspiration for everyone.

This year the events were capped off with an evening of skits and talent competition emceed by Mark Gilroy and JoAnne Boddy. The class of '79 came out on top by capturing the most wins.

Emceed by Michele Meyer and Randy Tumblin, the Slave Sale was an evening full of fun in keeping with tradition.

Talent in the Orpheus Living Room

A

C

Many talented performers made their debut in the 'living room' of the Orpheus Choir Variety Show. Gaining prominence as a tradition of the Olivet social calendar, the Variety Show once again proved that singers are especially good at hamming things up. The evening was filled with solo performances, skits, comedy acts, and instrumental numbers as Dr. Dunbar's protégés provided the student body with lots to laugh about and enjoy.

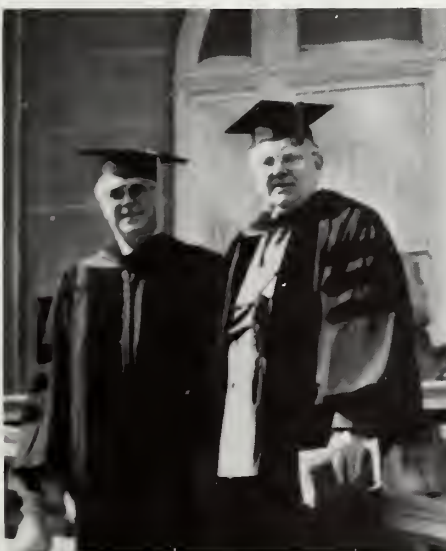

D

“Thank you, Lord, for Chapel.”

Chapel services are held three times a week. Attendance is required but adjusted in proportion to the academic load of each student. To some, attending chapel may seem quite a chore, when this time could be used for other “important” things. However, due to the scheduling of interesting speakers, talented musicians, featured organizations, and other highlights, chapel has become a time each week to look forward to. Featured during this year have been such “greats” as our revival evangelists, “Promise,” Dr. Orville W. Jenkins, Dr. G. B. Williamson, and Joni Eareckson. The students truly appreciate the efforts of the administration in making chapel more meaningful in our opportunity to praise and worship the Lord.

A. John Hunt and Lee Hart portray a royal display of musical chairs.

B. An atmosphere of worship is achieved through the singing of hymns.

C. Rivalry of song by Lorraine Marks and Dave Evans.

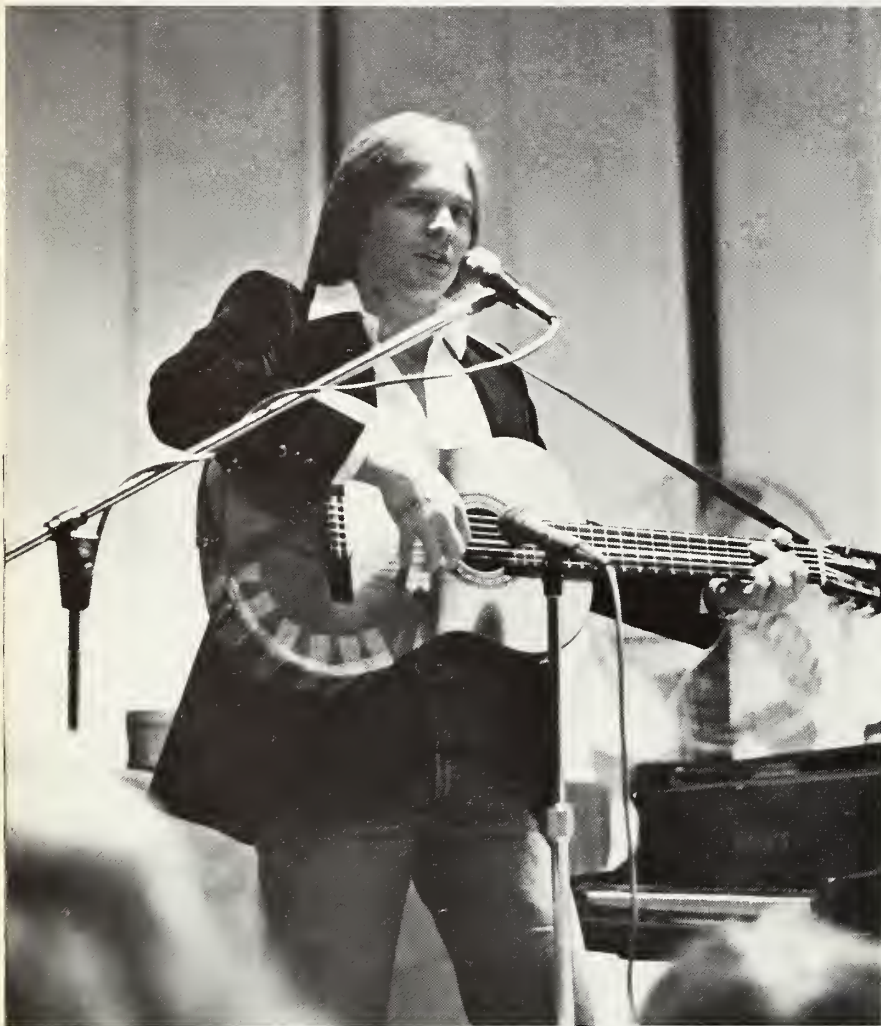

D. Terri and Melissa Hasselbring contribute to the show, aptly singing “Sisters”.

E. Joni Eareckson, a quadriplegic known not only for her sketches drawn with her mouth, but also for her Christian witness, speaks in chapel.

F. Chapel checker, Beth Prince, keeps accurate attendance.

G. We were honored to have Dr. Orville W. Jenkins to speak to the students.

Fall Concerts

C

A

D

Throughout the first semester, Olivet brought many talented music and dramatic groups to Chalfant Hall, which contributed hours of relaxation and listening pleasure. Concerts were a very popular social event, being a good reason for a study break while also being a great place to take a date or to meet someone new. Furthermore, the concerts gave all who listened a greater appreciation for genuine talent.

G

A. Students get involved in the performance of Jim Bolden.
 B. Act One Company
 C. Steve Camp

Imperials Live

A

B

D

Truly one of the biggest social events at Olivet, the Imperials Concert always receives a great response from students, faculty, and people from the area. These Grammy award-winning musicians are a favorite on our campus because of a dynamic sound seldom heard by any other religious group. These four vocalists and five instrumentalists can "put it all together" to thrill the hearts of thousands. How can one group be so versatile in pleasing so many people? They have incorporated into their performances many different types of songs but with their own unique style. They sing old songs, rhythm and blues, and traditional and contemporary gospel, bridging the gap between rock and religious. But what is most noteworthy in these tremendously gifted musicians is their unmistakable dedication to Jesus.

E

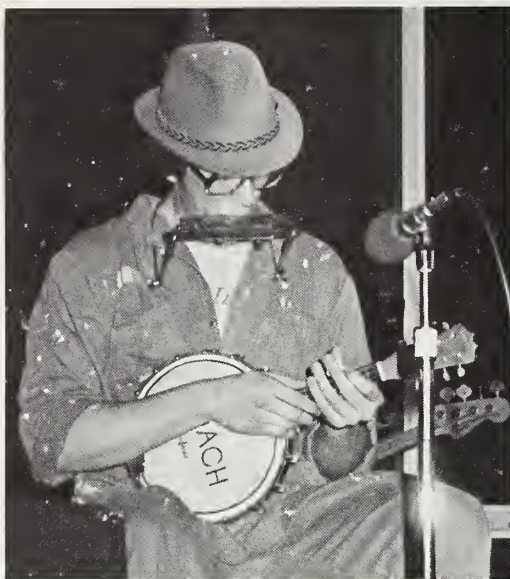

F

G

- A. The Imperials — musicians' musicians.
- B. Russ Taff and Armond Morales pause after the concert to sign autographs.
- C. Style, and impact!
- D. Jim, Dave, Russ, and Armond.

- F. Songs with something for everyone.

Friday Nite Live II and More

A

B

D

In the fall semester the Senior Class sponsored an evening of fun and entertainment called "Friday Nite Live." Due to the great response to this production, the Senior Class once again put their heads together and came up with another variety show, Friday Live II, and More," which debuted February 3rd, 1979. The event was emceed by Michelle Mattax, Charlotte Bottles, Lowell Short, and Wayne Lambert. The entertainment included Joy Unlimited, Terry Hodge, a skit by Mark Nickerson and Jim Jones, "The Best of the Family Feud," Curtis "Hambone" Williams, Miss Lisa Thompson, and the Mug Band with Randy Tumblin. The party continued until two o'clock a.m. with roller skating at the Skating Place. It was an enjoyable break before the hard work of the spring semester began.

B. J. Thomas

As the ladies of O.N.C. lined up dates for second semester Twirp Week, the guys anxiously awaited the opportunity to attend the B.J. Thomas concert on March 15. Plans made far in advance for the appearance of this great entertainer finally became the event of the year as O.N.C. was privileged to receive B.J. to our campus. Sponsored by the Women's "O" Club, this concert of musical listening enjoyment, special lighting effects, and dynamic sound was nearly a sell-out. B.J. sang the songs that made him famous such as "Raindrops Keep Falling on My Head," but also gave his testimony through words and songs such as "Home Where I Belong" and "What a Difference You've Made." From a drug addicted entertainer to a man who now sings to proclaim Jesus Christ's love and mercy, B.J. Thomas touched us all with his fantastic Christian witness through his ministry in song.

'Tis the Season

Amid the hustle and bustle of last-minute cramming for semester final tests was also the hustle and bustle of last-minute Christmas preparations. The Christmas season opened with the O.N.C. orchestra's and choral union's *Messiah* in two performances at College Church. Then, the Social Committee presented the Annual Christmas Banquet of delectable food and romantic atmosphere. Chalfant Hall was elegantly decorated to promote this year's theme, "Christmas Around the World." A play, "A Three Penny Christmas," was featured as entertainment while couples enjoyed this evening of good cheer. Presentations were made by members of the Associated Student Government to the Parrotts, Pastor Draper, and Mrs. E. Moore for their contributions to Olivet.

Snow, snow, snow! It's hard to believe the snow could keep falling as it did — and only a privileged few, those of the January interim term 1979, got to witness the silent attack. During the semester break between fall and spring, students are offered a chance to take one concentrated semester course for three weeks. And it never fails — old man winter concentrates his efforts into making January the Midwest's Winter Wonderland. The "blizzard of '79", as it has come to be known, however, set several records in Chicago and its surrounding areas, including Kankakee, by registering -15° as the coldest reported temperature of the century, with a -50° wind chill factor, the most cutting statistic. A record 28 inches was dumped upon the upper third of Illinois in three weeks, but as local radio station WBYG so aptly put it, "Every school in the world is closed except Olivet Nazarene College." Yes, interim went on, and so did the snow — but so did the fun and frolic of winter at Olivet.

Magical Moments

High atop the John Hancock building situated on Michigan Avenue in the Windy City of Chicago, eighty couples dined in the elegant atmosphere of the 95th. So was the setting of the annual Valentine's Banquet of which couples were allowed to dine on gourmet dishes and relax to the mellow songs of Jim Gibson. Lonnie Bullcock introduced each couple before the dinner and entertainment, then each couple engaged to be married was introduced by Steve Johnson, who read a whimsical account of how the two had met and fallen in love. The Sweetheart Couple for the evening, chosen by the other couples attending the banquet, was Jill McClung and Scott Erickson. The theme, Magical Moments, became reality for each couple who shared in this romantic event.

"A coming together . . ." — the theme of the 1979 AURORA was genuinely reflected in the workings of the AURORA staff this past year. Over 35 dedicated people put their time and talents to work to make the 1979 AURORA a success. Work began on September 6th and continued, in varying degrees of intensity, until the final 48 page deadline on March 6th. Under the capable direction of Dr. Larry Finger and Rev. Ted Lee, copy and pictures were checked for quality to comply with AURORA policy.

The AURORA is a public relations piece as well as a student organization, reflecting the beliefs, statutes, and policies of the college. An active part of Olivet's student government, it is an outlet for creativity and participation. The AURORA is published, 2500 copies, by Taylor Publishing Company in Dallas, Texas.

Glimmerglass

The Glimmerglass is a campus newspaper devoted to giving a balanced report on the life and activities of Olivet Nazarene College. Editor Robyn Carpenter and her staff have attempted to relate campus and community news, and provide a medium for student expression and opinion. The bi-monthly publication employed such features as "The Devotional Corner," "Restaurant Review," features, editorials, and a large sports section. With the addition of angled layout tables and remodeling of the workroom, the staff was better equipped to produce a quality paper. That quality, devotion, anusage of new equipment made the Glimmerglass an important feature of student life.

The 1978-79 Student Council, under the direction of Steve Johnson, has attempted to objectively meet the needs of the students through sensitivity to student concern, positive communication with the administration, and decisive action. Within this context they have updated and initiated many student programs, including Organizational Formation Day, Voter Registration, Homecoming elections, and the Bill Gothard Seminar. They also initiated contemporary Christian programming with WKOC and coordinated intramurals. In all, the Student Council attempted to bring Olivet students the best programming and service possible.

The Spiritual Life Program has played an active role in the lives of students at Olivet this year. From spending weekends anywhere on the educational zone on outreach teams, to sharing in Bible studies on campus, many students have been involved in the various programs. The programs afford opportunities for individuals to share Christ. Media Ministries presented the gospel through drama. Through two separate groups, one going out on the zone and the other on campus, they accomplish a unique ministry. Gospel Crusader's six-to-eight member teams shared Christ's love through singing, canvassing, and various youth programs. They lived their motto, "Proclaim His Love — in word, in song, in action!" throughout the year. Aware's purpose was to give the Olivet community an opportunity to help meet world needs. Their projects included sponsoring a nursing student in Haiti and to support a clinic in Guatemala. Encompassing the entire program, was this year's theme, "Life in the Spirit."

MRA/WRA: Working Together

A

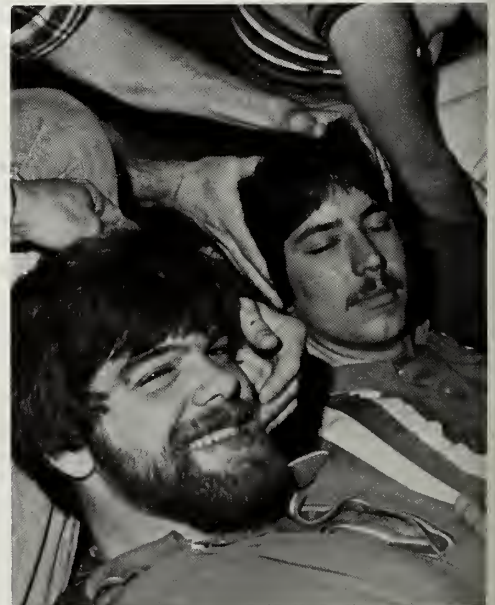

C

Various activities are held throughout the year for the student body by the Men's and Women's Residence Associations. Under the direction of Warren Metcalf and Barb Oddo, the two councils are striving to work together in planning activities which have been facilitated by their new adjoining offices in downstairs Ludwig. Together they sponsored Parent Weekend, which includes several activities such as concerts and banquets for the parents and students.

MRA council and President Warren Metcalf sponsored the yearly co-ed canoe trip and the Jesse Dixon concert in the spring. A fall hayride, which was great fun, was also sponsored by MRA.

WRA president Barb Oddo and her council planned activities such as the Higher Ground concert, an ice cream social, roller skating and other enjoyment during Twirp Week of both semesters. The Queen's Coronation during Homecoming was again a success this year as well as all other activities planned by both MRA and WRA councils.

For years the motto of the Viking Male Chorus has been, "For Thee We Sing." They believe in this motto, that being their purpose; to sing in order to bring glory to God. The past year was one of challenge and excitement. Tours within the educational zone, a fall rally in Eastern Michigan, an appearance at the Ferris State/Olivet game, and a proposed trip to Europe have helped satisfy their desire to efficiently minister for the Lord.

WKOC — Broadening Its Scope

In addition to the traditional "gentle sound" programming and Tiger basketball and football broadcasts with Ray Moore, Gary Griffin, and Bonnie Greene, WKOC has begun an updating process. Cooperating with Student Council, they initiated a contemporary Christian music program for students during evening hours. An office location change not only made broadcasting visible, but provided more adequate recording studio space. Within the next few years, WKOC, in compliance with the FCC, will move up to a 1000 watt, 12-month station, giving better reception and fuller programming. WKOC director is Ray Moore and station manager is Gary Griffin.

Rushing into their third season of intercollegiate football, the Olivet Tigers quickly ran up against several tough teams, resulting in a disappointing 2-7 record. This losing streak was redeemed, however, in the last game of the season against Illinois College when the Tigers defeated the 13th-ranked team in NCAA Division III by a score of 37-6.

Gaining a total of 1282 yards rushing and 987 yards passing, the Tigers showed an increase of 631 yards over last year.

With the majority of the gridders returning next year, coupled with the anticipation of a new athletic field, the Olivet Tigers have high hopes of a successful season.

Olivet finished its first intercollegiate season with a 3-10 record. Throughout the season the team grew closer together and also gained much experience that will help in future years. Coach Lilienthal built a team from scratch. He was assisted by John Culp, who will be the head coach next year. Gary Chatham was named most valuable player. The Tigers' biggest accomplishment of the season was their 2-1 upset victory over Illinois Institute of Technology, ranked fifteenth in the Midwest. The outlook for soccer at Olivet is positive for next year with most of the players returning.

The 1978-79 Tigers did have a surprising year, despite odds such as youth, height, and inexperience. Although losing the NAIA playoff spot with an 8-4 conference record, their overall 16-10 season pointed up determination and depth. The team had several outstanding players, with sophomore guard Don Stephens leading the pack, averaging 26.9 points per game and assisting 107 times. These figures, combined with quickness and skill, earned Don NAIA All-District, NIIC All-Conference, and an All-American nomination. Gary Corzett, sophomore center, was also named All-Conference, averaging 14 points per game and 10.2 rebounds. Juniors Don Barr, Randy Tumblin, and Al Jackson rounded out the scoring attack. Bench strength was also a surprise, utilizing talented freshmen. Losing no one to graduation, the Tiger team of '80 will be surety, not surprise.

The 1978-79 Junior Varsity team wrapped up the season with a 10-2 record under the new direction of Coach Ken Richardson. Leading in point totals with 169 points was Pat Martin, followed closely by Chuck Anderson, with 165 points. Kirk Mason led in rebounding, pulling down 108, while Cornell Gathing brought down 99. Stressing the importance of teamwork, the squad was strengthened by Keith Peachey with 56 assists, and Chuck Anderson, with 55. Overall, the team maintained 45% accuracy from the floor, and hit 70% at the charity stripe. Five members of the squad also played as Varsity starters throughout the season. The J.V. Tigers look toward '79-80 with high expectations, confident of the existing talent and in hopes of adding to it by recruiting.

The 1978-79 Wrestling season turned out to be one of the finest in Olivet history. Under Coach Larry Watson, the team ended up the season with a dual meet record of 8-2.

This was a season of accomplishment. Four grapplers having outstanding seasons were: Senior — Mark "Krunch" Kruszynski 26-8, Chris Nugent 24-8, Al MacQueen 21-8, and Rick Tripp 19-3. In the Wheaton Invitational, ONC proudly placed behind such powerhouses as Drake, Marquette and Notre Dame. In this meet Tripp bested his counterpart 10-6.

Olivet captured its third straight NCCAA Midwest Regional and at Nationals Knuszynski and Nugent placed third in their respective divisions.

Following a season plagued by tornadoes, rain, and bad weather all around, the 1978 Tiger Baseball team finished with a 14-16-1 record. At least twice during the three month season a winning Tiger score was prevented by the weather. Despite these tremendous weather odds, the Tigers did manage to pull through, and as Coach Watson said, "I'm really proud of my guys this year."

The future team of 1979 shows potential of becoming a threat to the other teams in the Conference. The leading batting average was maintained by Freshman Doug Bricker (.333), far exceeding last year's high of .281. Pitching the lowest ERA was Junior Doug Wampler, with a 2.24 average.

Olivet will be losing four Seniors this year, the four co-captains of the team. They are: John Rattle, designated hitter and pitcher; Dale Skelton, ONC's four year catcher; Mike Grace, "Mr. Consistent"; and Ray Raney, shortstop. Although their absence will be felt, the team is looking forward to a stronger season in 1979 due to veteran strength and very strong prospects.

Tigers Third in Conference

"Almost — but not quite!" expressed the type of season the O.N.C. track team had during 1978. The tracksters came out on the short end in three very close meets by a total of 10 points (6, 3, and 1 point). However, a number of good performances shone in the rebuilding year for the Tigers. Several freshmen were the key to many of the O.N.C. points with L. Shuey dominating the weight events and M. Montgomery the middle distances. The sprinters were led by M.V.P. R. Tumblin.

The Tigers finished third in the conference meet, fifth in the NAIA district meet and seventh in the NCCAA meet. They also finished high during several meets in the indoor season.

Coach Ray Morrison expects this team to improve this year as new freshmen will be added in several events to "beef" up the squad. Also, when the new artificial running track is built next year he hopes this will improve the status of track on campus.

The O.N.C. tracksters are on the prowl — expect them to come out this year and "tear up the track!"

Tennis

The 1978 Men's Tennis team came through with second place in the Conference and third place in Districts for a strong Tennis season at Olivet. Coached by Seldon Kelly the Tiger's Rob Grider was the Conference champ in singles and third in District singles with Wayne Shumaker winning second in district singles and everyone finishing at least in the top four in Districts. Grider and Shumaker came in with a second in District doubles. With five returning lettermen and stronger schedule the Tigers are looking forward to a great 1979 season.

Ladies Tennis at Olivet in 1978 saw another season of hard work without a lot of it showing up in their record. One can be sure that although they are not waving the checkered flag, they are building and gaining from the experience in intercollegiate Christian Athletics.

The O.N.C. Women's Basketball team ended their 1978-79 season with a regular season record of 8-8, and in tournament action, they finished 1-1.

The young squad had its ups and downs, but amidst all the problems of the year, there were many bright moments. Despite the 8-8 regular season record, the team tied with George Williams for second place in the conference, behind Concordia.

Having high averages were: Patti Nymeyer — 24, Joyce Smith — 12.7, Linda Manville — 11, and Lanette Sessink — 10.

For the first time in three years, Olivet won the first round of state tournament play against the University of Chicago, 68-63, but lost the next game against #1 seeded Lewis College, 73-51.

The 1978 Women's Softball season proved that the O.N.C. Tigresses were not a team to be taken lightly. Under first year coach Dawn Anderson, the team ended with an impressive overall record of 7-3. A well balanced team, both offensively and defensively, brought about this winning season.

Powerful hitting, speed on the bases, good pitching, and strong defense are strengths that made it very difficult to defeat Olivet. Several disappointments hindering a more productive season were two conference games being rained out, preventing the Tigresses to gain a higher ranking in conference play, and O.N.C. being denied a trip to state tournament due to rainy weather. Many believed the team would have finished high in the final ranking.

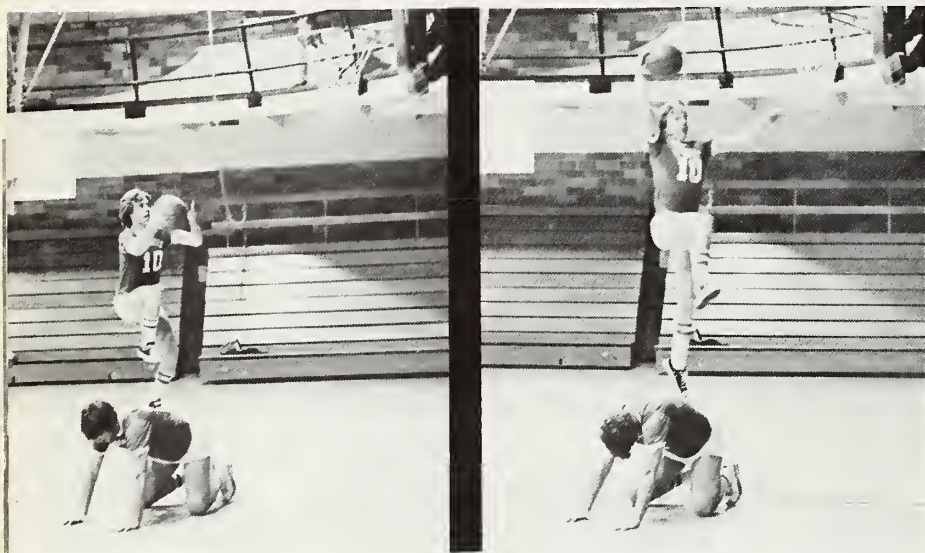

Lost to graduation were: Tammy Adler, Cheryl Doty, Sue Garbow, Dana Parker, and Jane Hussong who was voted Most Valuable Player for the season.

The Intramural program of 1978-79 has brought a new look to extra-curricular activities here at Olivet. Under the new direction of Coach Ken Richardson, the program has branched out into many different areas of participation and enjoyment for both men and women.

In past years, Intramurals have been limited to just a few sports, but this year the program has expanded to accommodate more people and interests including: Free-throw shooting, Wrestling, Swimming, Golf, Table Tennis, One-on-One Basketball and Bowling.

The Intramural program was set up so faculty, students, and staff could get together for leisure, fun and competition. Since basketball is a major sport at Olivet, the turn-out for men's Intramural basketball was great, with 26 teams composed of 247 men taking part. It is hoped that more students will participate in these events making the program more enjoyable for everyone.

This year has been a year of change at College Church. Reverend Bill Draper, who pastored College Church for the past five years, resigned his pastorate at College Church to become president of Point Loma College on December 24, 1978.

Reverend Jay Baynum was called to replace Reverend Draper, and began his ministry here on February 11, 1979. So, each of these men served College Church one semester during the school year, 1978-79.

During this year of transition, College Church has made every effort to minister effectively to the college students, faculty and staff through the spoken word, warm fellowship, and open altar.

"... the called according to His purpose." We are the called. His purpose? To share our togetherness with Christ with those in the world alone.

"All things work together for good . . ." —
 they certainly do! They did for me this past year — it was a ter-
 rific experience. I've never felt a part of anything so deeply —
 Olivet means a lot more to me now. I couldn't have made it with-
 out a lot of "togethers" — my basic Together with Christ; Scot-
 tie, Dan, Gloria, Polly, Chris, Kim, Perry, Corey, Rev. Lee, and
 others. Friends are made forever, and these are people I will
 cherish. But not just a handful of people made this book — all of
 us at Olivet made the AURORA, for it is Olivet, and we are Olivet.
 My thanks to you — I hope you feel the 1979 AURORA is a
 reflection of you and your years here — together.

 1979 Aurora Editor
